## ~~ATLS—Online Learning~~

A systematic, concise approach to the early care of trauma patients is the hallmark of the ATLS Program. This Tenth Edition was developed for the ACS by members of the ATLS Committee and the ACS COT, other individual Fellows of the College, members of the international ATLS community, and nonsurgical consultants to the Committee who were selected for their special competence in trauma care and their expertise in medical education.

The 10th edition of ATLS was released this  
previous summer, and was offered to be one of  
the "most innovative and creative updates  
since the inception of the ATLS course." This  
review presents the major highlights to  
changes in the 10th edition of ATLS only. It  
is not meant to be a comprehensive review of  
trauma care.
