Access Free Pictures To Exe User Guide

As a fairly versatile operating system, Windows has always had ways of browsing and viewing photos. But with Windows 10, Microsoft decided to try and mash browsing, organizing, and viewing all together in one application, with some basic editing to boot. The result, the innocuously-titled “Photos” app, can be less than intuitive.

~~How to Use Windows 10's Built-In Photos App~~

Pick a template for your collage based on the number of pictures you would like to use (up to 9 photos), or browse all of our templates for the layout you want to use. To add pictures to your collage, simply drag (or double-click) photos from the toolbar on the left into the available spaces in the template you have selected.
