concerned not only with the description but also with the developing scientific knowledge about the forces shaping public policy. The textbook, now in its second edition, continues to provide an in-depth study of the various approaches for policy formulation, implementation and evaluation. It addresses issues in policy analysis, and explains the forces that influence the functioning of executive, legislature, judiciary, civil society and administration. The book excellently reviews and evaluates the public policy literature, and exemplifies the author's long teaching and research experience in Panjab University. The book is primarily intended for postgraduate students of Political Science and Public Administration for their courses in
