~~The Space Merchants - Wikipedia~~

Space Merchants, first published in 1952 is a science fiction gem. Telling the tale of a capitalistic-anarchic society from the perspective of an advertising executive, Pohl describes a world where ancient maxims have been turned upside down — such as —Power enables, and absolute power enables absolutely.—

The Space Merchants Somewhere between the astral plane and the sticky floors of a biker bar—that's the sonic zone inhabited by Kiss the Dirt. At once heavy and propulsive, blissed out and Southern fried, the highly anticipated sophomore release from Brooklyn's The Space Merchants sits in constant tension between grit and transcendence.

One of the most savage and devastating attacks on modern consumer society and the advertising agents who are its high priests, THE SPACE MERCHANTS is uncomfortably prophetic. Two major advertising agencies are fighting for the Venus account--nothing less than total control of the Venus economy and markets.
